NAME OF CLUB	DESCRIPTION & DETAILS
Economics and Future Outlooks	What is the future of our economy? The only certainty is that it belongs to us. What do we need to know to better understand and shape the post-pandemic world? The goal of the Economics & Future Outlook Club is to advance the understanding of our local, national and international economy by engaging students in a variety of activities and experiences to strengthen members skills to have a more positive effect on our various communities in an efficient, inclusive and sustainable world. Our club is interdisciplinary and open to all students who want a better understanding of the economics, political and social forces that shape our economy.
Vietnamese Catholic Student Association	VCSA stands for Vietnamese Catholic Student Association, but you don't need to be a Catholic to join. The objective of OCC VCSA club is to live out the Catholic faith, to help others and excel in school, and to embrace charity services. OCC VCSA is also a part of the statewide VCSA, which is a non-profit organization.
Architecture Club	Architecture Club is a safe space to explore your interest in anything architecture related! We are here to make friends, help each other, answer transfer questions, connect with local architects, and be architects! Feel free to stop by and join us!
Marine Mammal Research Group	The Marine Mammal Research Group is a space for all students to explore a possible career in marine science or to just show their love for the ocean. Through field surveys and analyzing data students can study marine mammals all along the coast of Orange County such as Bottlenose Dolphins, Harbor Seals, and Sealions. All students of every major are invited to join!
Fashion Club	Bring fashion to the people! The Fashion Department wants to create and foster a safe place for students, and everyone in general, to talk about the arts including fashion. The Fashion Department and the Fashion Club create opportunities for everyone to create, connect and collaborate with students, the industry of fashion, the arts, and to help out our community outside of school.

<p>Food, Language, Cultural Learning</p>	<p>This club's mission is to create and maintain a welcoming place for a diverse group to learn about different cultures via learning about the history of different foods with cultural significance and their weekly interactions with each other. Furthermore, we wish to create a space where students can comfortably practice in speaking various different languages that they are currently learning. We see this club as a space where international students, and native students can learn from each other while collaborating to produce a robust and rewarding cultural exchange experience.</p>

<p>All Nations Christian Fellowship</p>	<p>We exist to spread a knowledge and develop a passion for the life transforming relationship that is possible with the Christian God among college students from all the nations (Matt. 28:19)! Our community is made up of students from many different nations and cultures - some who are already Christians and some who are just wanting to learn and explore - ALL are welcome!! Our activities include: Going to church together, Eating together, Doing fun activities together, and spending time caring for and encouraging one another.</p>
<p>College Dems at OCC</p>	<p>Our club is centered around community, civic engagement, education, and increasing democratic youth turnout. We're creating opportunities for those passionate about activism as well as those who are new to politics/law to learn more and get involved in their community. We believe that anyone can make a difference while having some fun along the way.</p>
<p>Burmese Student Association</p>	<p>The purpose of this club is to promote the awareness of the situation in Myanmar and to create a warm and caring environment for new Myanmar students who might have lots of worries because of the hardships back home. We hope to achieve that by hosting Myanmar festivals in OCC, planning events such as movie nights, hiking trips, potlucks, etc. We will also be trying to raise awareness of the situation in Myanmar and raising funds to donate back to refugees. Our club will serve not only as a social group but also as a place of learning when Myanmar students need help with choosing classes or mentoring or need help as a new student.</p>

Japanese Student Association	This club will aim to promote and preserve Japanese culture at Orange Coast College by hosting cultural and social events for Japanese students, exchange students, and anyone who appreciates Japanese culture to gather and have a good time! Besides, we will be dedicated to promoting a better campus understanding of the various aspects of Japan and the Japanese culture. Japanese Student Association will be a social group and serves as a forum for people to meet others who share their interests in Japanese culture. We will hold general meetings as well as various social events. Japanese student Association is open to students of any cultural or ethnic background!
